STATE WATER RESOURCES CONTROL BOARD and REGIONAL WATER QUALITY CONTROL BOARDS

The State Water Resources Control Board (State Water Board) and the Regional Water Quality Control Boards (Regional Water Boards and, together, Water Boards) are committed to ensuring transparency regarding Water Boards' activities, including by ensuring that all our public documents are accessible to all members of the public. One component of this is ensuring that our electronic content, starting with our public website (www.waterboards.ca.gov) is equally accessible to people with disabilities.

The undersigned certify that the Water Boards have made a good faith effort to ensure that all our websites are designed, developed, and maintained, and all documents that are posted to the Water Boards' internet websites on or after July 1, 2019 will be created, reviewed and maintained to be in compliance with California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.0, or a subsequent version, [as of the date of certification], published by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria. In addition, the Water Boards implemented guidelines to ensure that a) all historical documents linked through the Water Boards' internet websites are available, upon request, in an accessible format, and b) by July 1, 2020, only documents that are in full compliance with California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.0, or a subsequent version, published by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria, will remain posted to the Water Boards' internet websites.

If you find that for any reason you cannot fully access the information on any web page of this site, please contact us at accessibility@waterboards.ca.gov. Let us know the accessibility issue you are having and we will provide the information to you in an alternate format and make any necessary improvements to make the information better accessible through our website.
