**COMPLIANCE ORDER NO. 26-E1-24R-002  
ADMINISTRATOR ORDER TO LAKE MORENA VIEWS MUTUAL WATER COMPANY  
AND SELECTION OF STANTEC CONSULTING SERVICES INC. AS THE FULL-  
SCOPE ADMINISTRATOR**

Enclosed is Compliance Order No. 26-E1-24R-002 (Order), issued to the Lake Morena Views Mutual Water Company public water system ("Water System"). Please note that there are legally enforceable directives associated with this Order.

The State Water Board appreciates the willingness of the Water System and Stantec Consulting Services, Inc. ("Stantec") to work together over the past several months. As discussed in the Order, the Water System is ordered to accept Stantec as a full-scope administrator and allow Stantec to exercise full authority and control over the Water System. The State Water Board looks forward to continuing to work with both the Water System and Stantec as they develop a sustainable long-term solution.

Any person who is aggrieved by a citation, order or decision issued under authority delegated to an officer or employee of the State Board under Article 8 (commencing with California Health and Safety Code (CHSC), Section 116625) or Article 9 (commencing with CHSC, Section 116650), of the Safe Drinking Water Act (CHSC, Division 104, Part 12, Chapter 4), may file a petition with the State Board for reconsideration of the citation, order or decision.

Petitions must be received by the State Board within 30 days of the issuance of the citation, order or decision by the officer or employee of the State Board. The date of issuance is the date when the Division of Drinking Water signs the citation, order or decision. If the 30th day falls on a Saturday, Sunday, or state holiday, the petition is due the following business day by 5:00 p.m.
