

# Drinking Water Operator Advisory Committee Membership Request

The State Water Resources Control Board (State Board) is requesting nominations for the Drinking Water Operator Advisory Committee.

Per the passage of AB 2890 and effective January 1, 2017 the State Board shall appoint an advisory committee to assist it in carrying out its Drinking Water operator responsibilities. The advisory committee shall review all proposed regulations and make recommendations to the State Board before the adoption of a regulation or an amendment to a regulation. The advisory committee shall consist of the following ten (10) members from the following categories:

- A. Statewide organization representing medium to large water systems - Two people.
- B. Statewide organization representing small water systems - Two people
- C. Local primacy agency - One person
- D. An operator employed at a water recycling treatment plant - One person
- E. Educational institution's school or division of engineering - One person
- F. Member of an organized labor union that represents water treatment operators and water distribution operators - One person
- G. Employee of an educational institution, professional association, public agency, or private agency that provides water treatment or water distribution courses of instruction - One person
- H. Professional engineer specializing in sanitary engineering - One person.

## **Documentation required**

Members are appointed to a staggered four (4) year term. Upon appointment to the Committee appointees will receive and be required to adhere to the Bagley-Keene Act and sign a confidentiality agreement. In order for a nominee to be considered for Committee Membership they must submit the following documentation:

- Original nomination letter from the nominating agency or organization specifying the category (as listed above) of nomination.
- Resume or information detailing water experience from nominee and acceptance of nomination from nominee that includes reason for nomination, address, phone number, name of employer.

Nominations must be submitted by: January 1, 2017.
