**Rancho Lindo Community Center
9023 Camino la Jolla, Lamont, CA 93241**

The State Water Resources Control Board (State Water Board) invites you to attend a public meeting for an update on the process to combine Athal Mutual Water Company (Athal MWC) and Fuller Acres Mutual Water Company (Fuller Acres MWC) with Lamont Public Utility District (Lamont PUD).

BACKGROUND

In May 2018, the State Water Board issued compliance orders to Athal MWC and Fuller Acres MWC for the violation of the 1,2,3-trichloropropane maximum contaminant level, followed by citations for failing to return to compliance by May 2021. Some people who drink water containing 1,2,3-trichloropropane in excess of the maximum contaminant level over many years may have an increased risk of getting cancer.

In September 2022, the State Water Board notified Athal MWC, Fuller Acres MWC, and Lamont PUD of the six-month period to negotiate consolidation voluntarily. Public meetings were held in March 2023 and June 2023, as required by the mandatory consolidation process.
