

Join California Water Boards for a public meeting!

State and local agencies are working together diligently to resolve ongoing issues with Big Basin Water Company in Santa Cruz County. Please join us in-person or virtually for a public meeting hosted by the California Water Boards to learn more about the agenda items below and ask State and local agencies questions.

Background

Due to noncompliance with drinking water rules, the State Water Resources Control Board, Division of Drinking Water is involved with active enforcement, including seeking the appointment of a receiver for the Big Basin Water Company water system. The focus of this meeting is to discuss the status of the drinking water system. In addition, an update on the status of the Fallen Leaf area wastewater system will be provided.
