The Water Boards is now accepting SAFER Advisory Group Applications!

The SAFER Advisory Group was established to help guide State Water Board development and implementation of the SAFER Program.

Anyone who is a resident of California is welcome to apply to become a SAFER Advisory Group Member, and must fall under one of the qualified categories.

Technical knowledge or expertise on water or solutions is not necessary.

HOW TO APPLY

- For resources and information regarding the 2022 SAFER Advisory Group application period visit: https://bit.ly/2022SAFERAG_App_Resources.
- For questions, please email: SAFER@waterboards.ca.gov or call 916.445.5615.

11 individuals will be appointed this application round and will be notified in winter 2022.

Application categories include:

- Public water systems
- Technical assistance providers,
- Local agencies,
- California Native American Tribes
- Nongovernmental organizations (NGOs),
- The public
- Residents served by community water systems in disadvantaged communities, state small water systems, and domestic wells.
