Director & State Health Officer

State of California—Health and Human Services Agency
California Department of Public Health

EDMUND G. BROWN JR.
Governor

February 25, 2013

Dear ARRA Funding Recipient,

QUARTER 1, 2013 REPORTING DEADLINES AND QUARTERLY DAVIS-BACON CERTIFICATION FORMS

The submittal deadlines for the Quarter 1, 2013 reporting period are quickly approaching. Please submit the American Recovery and Reinvestment Act (ARRA) Quarterly Report no later than **March 12, 2013** to the California Department of Public Health (CDPH). The Supplemental Quarterly Report is due to CDPH no later than **April 5, 2013**. All reports must be submitted to dwpfunds@cdph.ca.gov. Please insure that the data included in your quarterly and supplemental reports accurately captures all information to be reported for the quarter. The ARRA quarterly reporting guidance and reporting forms can also be found at the following website:

<http://www.cdph.ca.gov/services/funding/Pages/ARRAProjectReporting.aspx>

As a reminder, all ARRA recipients are required to report quarterly until their ARRA project's last financial claim and Final Release Form have been submitted to CDPH. To terminate your reporting obligations, please submit your final quarterly report and a copy of the completed Final Release Form that was submitted with your final claim. Upon receipt of your final quarterly report as well as your Final Release Form, CDPH – DDWEM will acknowledge the fulfillment of your ARRA project's quarterly reporting obligations.

The United States Environmental Protection Agency requires that every ARRA funding recipient's authorized representative certify on a quarterly basis to their project's compliance with Davis-Bacon requirements as prescribed in 29 CFR 5.5 (a)(1). As such, please ensure that your water system's authorized representative completes and signs the attached Davis-Bacon quarterly certification for the quarterly period from January 1, 2013 through March 31, 2013. This form should be mailed (postmarked) no later than **April 5, 2013** to the following address:

California Department of Public Health
Division of Drinking Water and Environmental Management
Safe Drinking Water State Revolving Fund
Attn: SRF Pipeline Coordinator
1616 Capitol Avenue, MS 7418
PO Box 997377
Sacramento, CA 95899-7377

In addition, if quarterly Davis-Bacon certifications have not been signed and completed by your water system's authorized representative for any prior quarters since your project's funding agreement was executed, then please complete and mail a separate certification for each missing quarter as soon as possible.

Thank you for your efforts in helping ensure your project's continual compliance with the ARRA project reporting requirements. If you are missing any information or have additional questions, please contact Sylvester Okeke by phone at (916) 449-5600 or email at Sylvester.Okeke@cdph.ca.gov.

Sincerely,

Addie Aguirre, Staff Services Manager II
