

SECTION 1511 CERTIFICATION

The authorized representative of the California Department of Public Health hereby certifies, and/or affirms previous certification(s), that this Project has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. Subject to the provisions of this Agreement, the following general description is provided in order to comply with Section 1511 of the American Recovery and Reinvestment Act of 2009 (ARRA).

Applicant Name: City of Yuba City

Project Number: 5110002-015

DUNS Number: 082108192

Project description: Install water meters on unmetered accounts. The project consists of cutting into an existing service, installing a meter per City Standard Details. The components consist of a radio read meter, check valve, ball angle meter valve, curbstop, meter box and lid. There are approximately 1000 meters to be installed located in landscaped areas, 1600 in lawn areas, and 650 in driveways. The meters will require replacement of some concrete after the meter box is installed.

Estimated total cost of the Project: \$3,500,000

Type of assistance: 100% (One Hundred Percent) Forgiveness of Principal

Interest Rate: N/A

Estimated amount of ARRA funds to be used: \$3,500,000

Forgiveness of Principal: \$3,500,000

Loan Amount: \$0

California Department of Public Health
MEMORANDUM

DATE: July 25, 2009

TO: Leah Godsey Walker, Chief
Drinking Water Technical Programs Branch

FROM:  Addie Aguirre, Chief
Safe Drinking Water State Revolving Fund Administration Section

SUBJECT: Recommendation to Authorize Funding Agreement to **City of Yuba City**, Project No. **5110002-015** for Funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA)

The California Department of Public Health (CDPH) has completed its evaluation of the above referenced project for funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA). It is recommended to authorize a funding agreement for this project.

The following information should be included in the Funding Agreement:

1. Supplier Legal Name: **City of Yuba City**
2. Project Number: **5110002-015**
3. Supplier is a **Public Agency** in the **County of Sutter**, State of California.
4. The purpose of the funding is to assist in financing a project which will enable Supplier to meet safe drinking water standards.
5. The total ARRA project cost is estimated to be **\$3,500,000** of which **\$3,500,000** is considered ARRA total eligible project costs.
Type of Assistance: **100% (One Hundred Percent) Forgiveness of Principal**
6. Total ARRA fundable cost: **\$3,500,000**
Forgiveness of Principal: **\$3,500,000**
Loan Amount: **\$0**
7. The Supplier's cost for this project is estimated to be **\$0**.
8. The reasonably expected useful life of the project facilities is **20 years**.
9. Supplier's Grant Administrator shall be its' **City Manager**.

10. Supplier's Official Notices shall be sent to:

**City of Yuba City
City Manager
302 Burns Drive
Yuba City, CA 95991**

11. The Project shall be constructed in accordance with the plans and specifications approved by State on June 12, 2009.

12. Supplier shall complete the project no later than **April 1, 2010**.

13. Rate of Interest: **N/A**

14. Term of Loan: **N/A**

The Funding Agreement should contain the following Special Conditions

1. The Supplier shall notify CDPH's **Valley** District Office when the project construction is 50% complete.
2. Notwithstanding any term or condition to the contrary in the agreement, including but not limited to Article A-8, the Supplier may place a project facility into operation prior to completion of the Project if prior written approval is obtained from the CDPH **Valley** District Office.
3. If archaeological features or materials are unearthed during any phase of project activities, all work in the immediate vicinity of the find shall halt until the **City of Yuba City** has contacted a qualified archeologist who will determine the significance of the resource.
4. If human remains are exposed by project-related activity, the **City of Yuba City** shall comply with California State Health and Safety Code, Section 7050.5, which states that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin and disposition pursuant to California Public Resources Code, Section 5097.98. The **City of Yuba City** will provide the opportunity for (a) Native American monitor(s) to participate in the identification, evaluation, and mitigation of effects upon, any Native American human remains or cultural resources inadvertently exposed during the proposed undertaking. Consultation with personnel designated by the Native American Heritage Commission would be acceptable. Should tribal representatives agree to consult

on any such discoveries; the costs incurred will be the responsibility of **City of Yuba City**.

5. **The City of Yuba City** shall implement the FRAQMD Fugitive Dust Control Plan as adopted in the Walton Waterline and Storage Tank Project Final Mitigated Negative Declaration, by the City Council and Redevelopment Agency.
