MEMORANDUM

DATE: August 05, 2009

TO: Leah Godsey Walker, Chief
Drinking Water Technical Programs Branch

FROM: Addie Aguirre, Chief
Safe Drinking Water State Revolving Fund Administration Section

SUBJECT: Recommendation to Authorize Funding Agreement to **Coachella Valley Water District**, Project No. **3302069-002** or Funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA)

The California Department of Public Health (CDPH) has completed its evaluation of the above referenced project for funding under Safe Drinking Water State Revolving Fund, American Recovery and Reinvestment Act (ARRA). It is recommended to authorize a funding agreement for this project.

The following information should be included in the Funding Agreement:

1. Supplier Legal Name: **Coachella Valley Water District**
2. Project Number: **3302069-002**
3. Supplier is a **Public Agency** in the County of **Riverside**, State of California.
4. The purpose of the funding is to assist in financing a project which will enable Supplier to meet safe drinking water standards.
5. The total ARRA project cost is estimated to be **\$941,764** of which **\$939,644** is considered ARRA total eligible project costs.
Type of Assistance: **100% (One Hundred Percent) Forgiveness of Principal**
6. Total ARRA fundable cost: **\$939,644**
Forgiveness of Principal: **\$939,644**
Loan Amount: **\$2,120**
7. The Supplier's cost for this project is estimated to be **\$2,120**.
8. The reasonably expected useful life of the project facilities is **20** years.
9. Supplier's Grant Administrator shall be its' **Domestic Water Engineer**.

10. Supplier's Official Notices shall be sent to:

**Coachella Water District
Domestic Water Engineer
85-995 Avenue 52
Coachella CA 92236**

11. The Project shall be constructed in accordance with the plans and specifications approved by State on **June 16, 2009**.

12. Supplier shall complete the project no later than **September 1, 2012**.

13. Rate of Interest: **N/A**

14. Term of Loan: **N/A**

The Funding Agreement should contain the following Special Conditions

1. The Supplier shall notify CDPH's **Riverside** District Office when the Project construction is fifty percent (50%) complete.

2. Notwithstanding any term or condition to the contrary in this Agreement, including but not limited to Article A-8, the Supplier may place a Project facility into operation prior to completion of the Project if prior written approval is obtained from the CDPH **Riverside** District Office.

3. If archaeological features or materials are unearthed during any phase of Project activities, work must be halted in the vicinity of the find until a qualified archaeologist representing Supplier has consulted with interested parties and assess its significance under applicable regulations.

4. If human remains are exposed by project-related activity, the Supplier shall comply with California State Health and Safety Code, Section 7050.5, which states that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin and disposition pursuant to California Public Resources Code, Section 5097.98.

5. The Supplier shall provide the opportunity for Native American monitor(s) to participate in the identification, evaluation, and mitigation of effects upon any Native American human remains or cultural resources inadvertently exposed during the proposed undertaking; said requirement may be satisfied by consultation with personnel identified by the Native American Heritage Commission. Should tribal representatives agree to consult on any such discoveries; the costs incurred will be the responsibility of Supplier.

6. In order to avoid root damage to the Date Palms (Date Industry Birthplace, California Point of Historical Interest #43), south of the Project alignment at 92241 National Avenue, Supplier shall cause temporary fencing to be installed before Project construction begins, and Supplier shall ensure all construction work and activity is conducted at least 3 meters (10 ft) from the trunk base of the trees.
