

List of Noticed Water Right Claims as of July 23, 2021

- Notes:**
1. The State Water Board's best available information indicates that water is unavailable to the pre-1914 claims associated with the Statements of Diversion and Use below.
 2. The State Water Board is not validating the nature of the claims associated with the Statements of Diversion and Use listed below.
 3. Priority Dates after 1914 may reflect the date at which water was put to full beneficial use, not the year diversion first commenced.
 4. Please refer to the Water Unavailability Methodology's Technical Appendix B for additional information regarding the Water Right Type associated with the Statements of Diversion and Use listed below.
