

Vendor List

(Last Updated 10/14/2020)

Atomic Gas Suppliers

Airgas

- (866) 935-3370
- Status: Operating at normal capacity. N95 masks only available to First responders, high volume orders might be subject to additional review.

Praxair

- (800) 772-9247
- Status: Prioritizing essential medical gases to hospitals and medical facilities.

Instruments, Laboratory Supplies and Equipment

Agilent

- (800) 227-9770
- Status: Operating at normal capacity, might experience shipping delays.

Amico Scientific Corp.

- (714) 894-6633
- Status: Possible service disruptions, call sales representative.

Avantor/VWR

- (855) 282-6867
- Status: Possible service disruptions, call sales rep for product information.

CEM Corporation

- (800) 726-3331
- Status: Operating at normal capacity.

Cole-Parmer

- (800) 323-4340
- Status: Possible service disruptions, slower delivery, contact sales rep.

Corning

- (800) 492-1110
- Status: Operating at normal capacity.

Entech Instruments

- (800) 555-8034
- Status: Expect possible delays and response times.

Instruments, Laboratory Supplies, and Equipment (Con't)

Eppendorf

- (800) 645-3050
- Status: Expect possible delays and response times.

Evantech Scientific

- (714) 754-1339
- Status: Expect possible delays and response times.

Fischer Scientific

- (800) 766-7000
- Status: Limited PPE and disinfectant supplies.

HACH Instruments

- (800) 227-4224
- Status: Operating at normal capacity; possible delay in service.

Hanna Instruments

- (800) 426-6287
- Status: Operating at normal capacity.

IDEXX

- (800) 548- 6733
- Status: Operating at normal capacity.

Inorganic Ventures

- (800) 669-6799
- Status: No rush processing.

Lab Pro

- (408) 745-0222
- Status: Operating at normal capacity

Mettler Toledo

- (213) 627 8004
- Status: Operating at normal capacity

Microtech Scientific

- (714) 744-3974
- Status: Operating at normal capacity

Millipore Sigma

- (800) 645-5476
- Status: Operating at normal capacity

Instruments, Laboratory Supplies, and Equipment (Con't)

M-Rep

- (760) 917-3974
- Status: Suspending services.

NCL

- (714) 449-2673
- Status: Possible service disruptions, expect delays.

Perkin Elmer

- (800) 762-4000
- Status: Possible service disruptions, expect delays.

Quality Environmental Containers (QEC)

- (800) 255-3950
- Status: Operating at normal capacity

Restek

- (800) 356-1688 x 3
- Status: Operating at normal capacity

SCP Scientific

- (800) 361-6820
- Status: Operating at normal capacity

Shimadzu

- (800) 477-1227
- Status: Operation at normal capacity

Sigma Aldrich

- (800) 325-3010
- Status: Operating at normal capacity

Thermo-Fisher

- (800) 556-2323
- Status: Operating at normal capacity

Thomas Scientific

- (800) 345-2100
- Status: Operating at normal capacity

Laboratory Equipment and Sampling Supplies

Environmental Express

- (843) 881-6560
- Status: Minor disruptions to same day shipping, [bulk hand sanitizers back in stock.](#)

[Environmental Sampling Supply \(ESS\)](#)

- (510) 614-8312
- Status: Operating at normal capacity.

[Zefon International](#)

- (352) 854-8080
- Status: Operating at normal capacity. Bulk hand sanitizers and PPE available.

Toxicity Testing

Abalone Farm

- (805) 995-2495
- **Status: In the process of closing unrelated to COVID-19. No supplies or products have been shipped this year.**

Aquatic Biosystems

- (800) 331-5916
- Status: Operating at normal capacity.

Aquatic Indicators

- (904) 829-2780
- Status: Operating at normal capacity.

Aquatox

- (501) 520-0560
- Status: Operating at normal capacity

Carlsbad Aquafarm

- (760) 438-2444
- Status: Operating at normal capacity

Culture Collection of Algae, Botany Dept. University of Texas

- (512) 471-4019
- Status: Unknown

Marinus, Inc.

- (714) 901-9700
- Status: Operating at normal capacity

The Cultured Abalone

- (805) 685-1956
- Status: Operating at normal capacity

Thomas Fish Co.

- (530) 378-1006
- Status: Operating at normal capacity
