The Lahontan Water Board will be considering many items during this meeting which may result in Board action or direction to staff. We encourage input from all people interested in a given item or issue, so that when we act, our decision is based on all available information. Although an oath is not administered in most of the proceedings before this Board, **we expect all statements made before this Board to be truthful with no attempts to mislead this Board by false statements, deceptive presentation or failure to include essential information.**

The Board encourages all people in or near a Board meeting to refrain from engaging in inappropriate conduct. Inappropriate conduct may include disorderly, contumacious or insolent behavior, breach of peace, boisterous conduct, violent disturbance or other unlawful interference in the Board’s proceedings. Such conduct could subject you to contempt sanctions by the superior court (Govt. C Sec 11455.10).

The Board Chairperson may impose sanctions, including reasonable expenses and attorney’s fees, on any party for bad faith actions, frivolous tactics or actions intended to cause unnecessary delay by a party or the party’s attorney or representative (Govt. C Sec 11455.30).
The primary responsibility of the Water Board is to protect the quality of the surface and groundwater within the Region for beneficial uses. The duty is carried out by formulating and adopting water quality plans for specific ground or surface water bodies; by prescribing and enforcing requirements on domestic and industrial waste dischargers, and by requiring cleanup of water contamination and pollution. Specific responsibilities and procedures of the Board are outlined in the Porter-Cologne Water Quality Control Act.

Regular meetings of the Board are normally held on the second Wednesday and Thursday of each month. Meeting locations vary but generally alternate between the north and south basins of the region.

The purpose of the monthly meeting is to provide the Board with testimony and information from concerned and affected parties and make decisions after considering the evidence presented. A public forum is held at each regular meeting where any person may address the Board on any matter within the jurisdiction of the Board, but may not be related to any item on the agenda or scheduled for a future meeting.

The Board welcomes information on pertinent problems, but comments at the meeting should be brief and directed to specifics of the case to enable the Board to take appropriate action. Whenever possible, lengthy testimony should be presented to the Board in writing and only a summary of pertinent points presented verbally. Written material should be submitted no later than the Monday, ten days prior to the Board meeting, or according to the deadlines specified in the Notice of Public Hearing for the agenda item.

Recordings are made of each Board meeting and these tapes/CDs are retained in the Board’s office for two years. Anyone desiring copies should contact Laurie Applegate at (530) 542-5414, for the current fee schedule for copies.
