

August 22, 2014

TO ALL INTERESTED PERSONS AND AGENCIES:

TENTATIVE WASTE DISCHARGE REQUIREMENTS FOR THE PROPOSED BLUE EAGLE LODGE MINE, KERN COUNTY

Enclosed are tentative waste discharge requirements [2014 BELM Order and MRP](#) for the proposed Blue Eagle Lode Mine.

The Regional Board requests that you review the enclosed documents and provide us with your written comments no later than noon (12 pm) **September 22, 2014**.

Comments received after that date cannot be given full consideration in preparation of the recommended Order to be presented to the Board for adoption. It is proposed to present these requirements to the Regional Board for adoption at the meeting set for November 12, 2014 in Barstow, California.

Please send comments (email is preferred) to me at jsteude@waterboards.ca.gov or hard copy to the address listed at top of this page. You may contact me at (530) 542-5571 if you should have any questions or wish to discuss the waste discharge requirements or monitoring and reporting program.

John Steude, P.G.
Engineering Geologist
