Submittal of Written Material for Water Board Consideration:

Comments on individual items are welcome and encouraged. Written comments on an agenda item must be submitted on or before the due date listed in the hearing notice associated with the agenda item. Hearing notices are distributed to persons who have indicated they want to receive information about a specific item and are posted on the Water Board’s web site www.waterboards.ca.gov/lahontan. For items that do not have a separate hearing notice with specific due dates, written comments must be submitted at least ten (10) days before the

Pursuant to California Code of Regulations, Title 23, section 648.4, the Water Board may refuse to admit written testimony into evidence unless the proponent can demonstrate why he or she was unable to submit the material on time or that California Code of Regulations, Title 23, section 647 et seq., and compliance with the deadline would otherwise create a hardship. If any other party demonstrates prejudice resulting from admission of the written testimony, the Water Board may refuse to admit it. A copy of the procedures governing Water Board meetings may be found at as is available upon request. Hearings before the Water Board are not conducted pursuant to Government Code section 11500 et seq.

The meeting room is accessible to people with disabilities. If you have special accommodations or language needs, please contact Kathleen Otermat at least five days prior to the meeting date at (530) 542-5414 or kathleen.otermat@waterboards.ca.gov.
