

Lahontan Regional Water Quality Control Board

November 3, 2016

Notice of Public Information Meeting, Crystal Geysers Cabin Bar Ranch and Olancho Spring Water Bottling Facilities, Inyo County

TO: CRYSTAL GEYSER MAILING LIST

Staff members of the Lahontan Water Board and Inyo County are hosting a public information meeting regarding Crystal Geysers Olancho and Cabin Bar Ranch spring water bottling facilities. Crystal Geysers representatives will also be present. All members of the public and interested parties are encouraged to attend and participate.

Date: Friday, December 2, 2016

Time: 6:00 pm – 8:30 pm

Location: Olancho Fire Station, 689 Shop Street, Olancho, CA

The purpose of the meeting is to:

- Share information gained from recent groundwater investigations at Crystal Geysers Olancho facility
- Discuss next steps in the investigation process
- Describe the new draft discharge permitting requirements (permits) developed by Water Board staff for Crystal Geysers Olancho and Cabin Bar facilities (discussed below)

Copies of documents related to the groundwater investigation at Crystal Geysers Olancho facility are available at:

http://www.waterboards.ca.gov/lahontan/water_issues/programs/enforcement/crystal_geyser_olancho.shtml.

Draft Permits Available for Review and Comment

Tentative waste discharge permits (draft permits) for Crystal Geysers new Cabin Bar Ranch and existing Olancho spring water bottling facilities have been released for a 30-day public comment period and are available at <http://www.waterboards.ca.gov/lahontan/>. If you would like paper copies of the permits, please contact Anne Holden at (530) 542-5450 (anne.holden@waterboards.ca.gov). Written comments will be accepted on the draft permits at the December 2, 2016 meeting.

For more information or questions on the December 2, 2016 public meeting, please contact Cathe Pool, Senior Water Resources Control Engineer, at (530) 542-5460 (catherine.pool@waterboards.ca.gov).

Thank you for your interest in water quality issues in the Olancha area.

A handwritten signature in black ink, appearing to read 'Scott C. Ferguson', with a long horizontal flourish extending to the right.

Scott C. Ferguson, P.E.
Supervising Water Resource Control Engineer
