
Los Angeles Regional Water Quality Control Board

September 20, 2018

Mr. Tom Mortenson
Valley County Water District
14521 Ramona Blvd.
Baldwin Park, CA 91706

Dear Mr. Mortenson:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—VALLEY COUNTY WATER DISTRICT, VCWD ARROW WELL, 5120 LANTE STREET, BALDWIN PARK, CALIFORNIA (NPDES NO. CAG994006, CI-10327)

The subject discharge is regulated under Order No. R4-2014-0141, *Waste Discharge Requirements for Discharges of Groundwater from San Gabriel Valley Groundwater Basin to Surface Waters in Upper San Gabriel River and Rio Hondo Watersheds-Los Angeles County*, adopted by this Board on July 10, 2014.

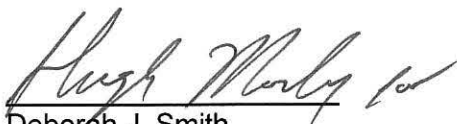

We have reviewed your letter dated February 15, 2018, requesting termination of your coverage under the General Permit. The letter indicated that you have stopped discharging from the above-referenced facility to surface water and that the subject NPDES permit is no longer needed.

On August 31, 2018, Board staff inspected the project site and verified that there is no discharge of groundwater from the facility to surface water. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2014-0141, General NPDES Permit No. CAG994006 for the facility is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Deborah J. Smith
Executive Officer

Mr. Tom Mortenson
Valley County Water District
