Dear Mr. Granado:

Our letter dated July 3, 2008, transmitted a copy of a tentative Order which would rescind the subject requirements and NPDES permit.

Pursuant to Division 7 of the California Water Code, this Regional Board at a public hearing held on November 20, 2008, reviewed the tentative Order, considered all factors in the case, and adopted Order No. R4-2008-0127 (copy attached) relative to the rescission.

Please notify this Regional Board if future changes in facility operations would result in a discharge of wastewater to surface waters. If wastewater discharges are initiated, Kinder Morgan Liquids Terminals, LLC, must submit a Report of Waste Discharge (ROWD) to the Regional Board as a permit application.

If you have any questions, please contact Stephanie Turcios at (213) 576-6793.
