Mr. Daniel T. Shide
Environmental Program Manager
Naval Base Ventura County
311 Main Road, Suite 1
Point Mugu, CA 93042-5033

TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS ORDER NO. 01-056, - NAVAL BASE VENTURA COUNTY, PORT HUENEME FACILITY, 23RD ROAD AND PACIFIC AVENUE, PORT HUENEME, CALIFORNIA (CI-8268, FILE NO. 94-073, SCP NO. 0281, PCA NO. 16548)

Dear Mr. Shide:

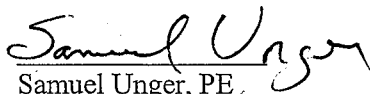

In our letter dated May 10, 2001, we informed you that the subject discharge is regulated under Order No. 01-056, which also serves as your Waste Discharge Requirements (WDR).

By letter dated September 21, 2010, you notified the Regional Board that work performed for the in-situ bioremediation pilot test to treat the methyl tertiary butyl ether (MTBE) plume in groundwater was complete in 2001, and that you request termination of the WDR.

Since the pilot test has been completed, and the WDR is no longer needed, the coverage under Regional Board Order No. 01-056 for the subject facility is hereby terminated.

If you have any questions, please contact Mr. Peter Raftery at (213) 576-6724 or praftery@waterboards.ca.gov.

Sincerely,

Samuel Unger, PE
Executive Officer

cc: Mr. Peter Chen, DTSC, Cypress
Mr. Steve Granade, Naval Base Ventura County

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
