Van Nuys, CA 91401

CERTIFIED MAIL
RETURN RECEIPT REQUESTED
CLAIM NO. 7000 0520 0024 7217 8597

Dear Mr. Levine:

CONTINUATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS – SHATTO INVESTMENT COMPANY, DYNO AUTO CARE, 3151 W. 6th STREET, LOS ANGELES, CALIFORNIA (NPDES NO. CAG834001, CI-8280)

We have completed our review of your Notice of Intent for the above-referenced facility for a continuation to discharge waste under the National Pollutant Discharge Elimination System (NPDES). Based on the information provided, the discharge from your facility meets the conditions specified in Order No. R4-2002-0125, *Waste Discharge Requirements for Treated Groundwater and Other Wastewaters From Investigation and/or Cleanup of Petroleum Fuel-Contaminated Sites to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties (General NPDES Permit No. CAG834001)*, adopted by this Board on July 11, 2002.

Enclosed are your Waste Discharge Requirements, which also serve as your General NPDES permit, consisting of Order No. R4-2002-0125 and Monitoring and Reporting Program (MRP) No. CI-8280. Order No. R4-2002-0125 replaced Order No. 97-046, which has been terminated. Discharges from the project site drains to Ballona Creek, therefore, the discharge limitations in Attachment B are not applicable to your discharge. Compliance with the new permit Order No. R4-2002-0125 and MRP No. CI-8280 is effective upon receipt of this authorization letter.

All monitoring reports should be sent to the Regional Board, ATTN: Information Technology Unit. When submitting monitoring or technical reports to the Regional Board per these requirements, please include a reference to "Compliance File No. CI-8280 and NPDES No. CAG834001", which will assure that the reports are directed to the appropriate file and staff. Also, please do not combine other reports with your monitoring reports. Submit each type of report as a separate document.

We are sending Board Order No. R4-2002-0125 only to the applicant. For those on the mailing list, please refer to the Board Order previously sent to you. A copy of the Order will be furnished to anyone who requests it.

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption
For a list of simple ways to reduce demand and cut your energy costs, see the tips at: <http://www.swrcb.ca.gov/news/echallenge.html>
