June 26, 2008

Mr. Noel Shenoi
Calclean Inc.
3002 Dow Avenue, Suite 142
Tustin, CA 92780

Dear Mr. Shenoi:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CALCLEAN INC., GROUNDWATER CLEANUP PROJECT, 16820 SOUTH FIGUEROA STREET, CARSON, CALIFORNIA (CAG834001, CI—8357)

In our letter dated January 23, 2003, we informed you that the subject discharge is regulated under Order No. R4-2002-0125, *General NPDES and Waste Discharge Requirements for Treated Groundwater and Other Wastewaters from Investigation and/or Cleanup of Petroleum Fuel-Contaminated Sites to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

On November 21, 2007, you informed Regional Board staff that the above-referenced project was completed in September 2006. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On June 24, 2008, our staff inspected the facility and verified that there is no discharge to the storm drain.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Tracy J. Egoscue
Executive Officer
