Lake Hughes, CA 93532

FACILITY MAILING ADDRESS

The Painted Turtle Gang Camp Foundation
3969 Villa Costua Drive
Malibu, CA 90265

PROJECT DESCRIPTION

The Painted Turtle Gang Camp Foundation proposes to build the Painted Turtle Camp, a residential camp for ill children. During grading of the site and placement of utility pipes, the site may need to be dewatered.

VOLUME AND DESCRIPTION OF DISCHARGE

Up to 500 gallons per day of groundwater will be discharged into a sediment trap or sediment basin and then into the small ponds on the property located at Latitude: 34° 39' 33"N, Longitude: 118° 23' 24"W. The ponds drain to Elizabeth Lake, a water of the United States. The facility location is shown on the attached Figure 1.

FREQUENCY OF DISCHARGE

Discharge will occur for a period of approximately 60 days.

REUSE OF WATER

Reuse has been considered but due to the small amount of water being generated, there is no feasible reuse option for the groundwater at the site.
