Ms. Carol Dickerson
Stauffer Management Company, LLC
1800 Concord Pike
Wilmington, DE 19850-5437

Dear Ms. Dickerson:

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS
– STAUFFER MANAGEMENT CO., LLC, 2112 E. 223rd ST., CARSON (ORDER NO. R4-2002-0030, SERIES NO. 018, CI-8523)**

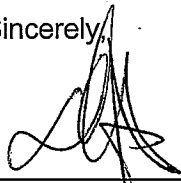

In our letter dated January 16, 2003, we informed you that the subject discharge is regulated under Order No. R4-2005-0030, Series No. 037, which specifies your Waste Discharge Requirements (WDR).

In a letter dated November 23, 2005, you notified the Regional Board that the two pilot tests for volatile organic compounds in groundwater are complete and that you requested termination of the WDR.

The monitoring results were provided to the Regional Board in monitoring reports. Since you have completed the pilot test and no longer need the WDR, the coverage under Board Order No. R4-2002-0030, Series No. 018 for the subject facility is hereby terminated.

If you have any questions, please contact Chief of Groundwater Permitting Unit, Dr. Rebecca Chou, at (213) 620-6156.

Sincerely,

Tracy J. Egoscue
Executive Officer
