Governor

July 10, 2008

Mr. Michael Genthe
Trammell Crow Residential
949 South Coast Drive, #400
Costa Mesa, CA 92626

Dear Mr. Genthe:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—TRAMMELL CROW RESIDENTIAL, UNIVERSAL CITY APARTMENTS HOLDING LLC, 4055 LANKERSHIM BOULEVARD, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-8864)

In our letter dated February 14, 2005, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater From Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

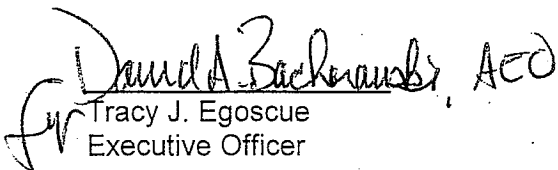

We have received and reviewed your June 23, 2008 letter, requesting termination of your coverage under the General Permit. The letter indicated that you have completed the replacement of the storm drain system at the above-referenced facility, and no groundwater was discharged to the storm drain during the project construction.

On July 8, 2008, Board staff inspected the project site and verified that there is no discharge of wastewater from the site to the Los Angeles River. Since there is no discharge from the subject site, coverage under Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject project is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this Board and obtain waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Tracy J. Egoscue
Executive Officer

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
