Arnold Schwarzenegger
Governor

December 14, 2009

Mr. Kirk Norman
Ventura County Watershed Protection District
800 S. Victoria Avenue
Ventura, CA 93009

Dear Mr. Norman:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—VENTURA COUNTY WATERSHED PROTECTION DISTRICT, PIRU CREEK BANK PROTECTION PROJECT, PIRU CREEK BANK/PIRU CANYON ROAD, PIRU, CALIFORNIA (NPDES NO. CAG994004, CI-8885)

In our letter dated April 9, 2009, we informed you that the subject discharge is regulated under Order No. R4-2008-0032, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008, which also serves as your NPDES permit.

We have reviewed your October 8, 2009, letter requesting termination of your coverage under the General Permit. The letter indicated that you have completed your construction project and ceased groundwater discharge.

On December 9, 2009, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to surface waters. Since there is no discharge of groundwater from the site, coverage under the Board Order No. R4-2008-0032, General NPDES Permit No. CAG994004, for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs).

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer

Ch. of Dist 47 E0
