TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS – 76 STATION 4764, 1124 MARICOPA HIGHWAY, OJAI, CALIFORNIA (ORDER NO. R4-2005-0030, SERIES NO. 004, CI-8910)

Dear Ms. London:

In our letter dated June 28, 2005, we informed you that the subject discharge is regulated under Order No. R4-2005-0030, (Series No. 004), which specifies your Waste Discharge Requirements (WDR).

In a letter dated July 27, 2009, you notified the Regional Board that you ceased ozone injection for this site and that you requested termination of the WDR.

Because the ongoing remediation does not plan to continue to inject ozone, you no longer need the WDR. The coverage under Board Order No. R4-2005-0030, (Series No. 004), for the subject facility is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Section Chief of Groundwater Permitting and Land Disponsal, Dr. Rebecca Chou, at (213) 576-6618.

Sincerely,

Chief Deputy EO.
