Dear Ms. Sullivan:

On August 19, 2005, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2005-0030 which specifies your Waste Discharge Requirements (WDR).

In the letter dated August 20, 2012, you notified the Regional Board that you ceased injection of ozone/peroxide at the subject site and that you requested termination of the WDR.

Since Lakewood Associates, LLC has no plan to inject ozone/peroxide in the future, the coverage for the subject facility, under Regional Board Order No. R4-2005-0030, is hereby terminated with the exception of enforcement under the terms of the permit.
