Arnold Schwarzenegger
Governor

December 15, 2008

Mr. Masood Jilani, Project Manager
Ventura County Watershed Protection Districts
800 South Victoria Avenue
Ventura, CA 93009-1610

Dear Mr. Jilani:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—VENTURA COUNTY WATERSHED PROTECTION DISTRICTS—SOUTH BRANCH ARROYO CONEJO CULVERT IMPROVEMENT PROJECT, HILLCREST DRIVE, NEWBURY PARK, CALIFORNIA (NPDES NO. CAG994004, CI-8969)

In our letter dated September 28, 2005, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater From Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

We have received and reviewed your October 9, 2008, letter requesting termination of your coverage under the General Permit. The letter indicated that the subject project was completed in April 2008.

On December 12, 2008, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject project is hereby terminated except for enforcement purposes.

If you have any questions, please contact Dr. James Tang at (213) 576-6696.

Sincerely,

Tracy J. Egoscue
Executive Officer
Chief Deputy E.O.
for

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
