March 23, 2009

Mr. Donald Kendall
Calleguas Municipal Water District
2100 Olsen Road
Thousand Oaks, CA 91360-6800

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CALLEGUAS MUNICIPAL WATER DISTRICT, OXNARD PLAIN BRINE LINE PHASE 1B PROJECT, ALONG HUENEME ROAD, BETWEEN RICE AVENUE AND LAS POSAS ROAD, OXNARD (CAG674001, CI—8979)

Dear Mr. Kendall:

In our letter dated November 15, 2005, we informed you that the subject discharge is regulated under Order No. R4-2004-0109, *General NPDES and Waste Discharge Requirements for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated January 7, 2009, you informed Regional Board staff that the above-referenced project was completed in December 2008. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit. On March 19, 2009, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site, coverage under Board Order No. R4-2004-0109 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Tracy J. Egoscue
Executive Officer
