Mr. Gary Schaffel, President
Schaffel Development Co., Inc.
15235 Burbank Avenue, Suite C
Van Nuys, CA 91411

Dear Mr. Schaffel:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS – SCHAFFEL DEVELOPMENT CO., INC., LONGRIDGE CONDOMINIUMS PROJECT, 4237 LONGRIDGE AVENUE, STUDIO CITY, CALIFORNIA (NPDES NO. CAG994004, CI-9175)

In our letter dated September 26, 2006, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

We have reviewed your June 24, 2009, letter requesting termination of your coverage under the General Permit. The letter indicated that you have completed your construction project and ceased groundwater discharge.

On July 23, 2009, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to surface waters. Since there is no discharge of groundwater from the site, coverage under the Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs).

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer
*Chief Deputy E.O.
