Arnold Schwarzenegger
Governor

December 4, 2008

Mr. Donald Kendall
General Manager
Calleguas Municipal Water District
2100 Olsen Road
Thousand Oaks, CA 91360-6800

Dear Mr. Kendall:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT— CALLEGUAS MUNICIPAL WATER DISTRICT— REGIONAL SALINITY MANAGEMENT PIPELINE (BRINE LINE), PHASE 1C— HYDROSTATIC TEST PROJECT, HUENEME ROAD BETWEEN ARNOLD ROAD AND EDISION DRIVE, OXNARD, CALIFORNIA (NPDES NO. CAG674001, CI-9209)

In our letter dated November 26, 2006, we informed you that the subject discharge is regulated under Order No. R4-2004-0109, Waste Discharge Requirements for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties, adopted by this Board on July 1, 2004, which also serves as your NPDES permit.

We have received and reviewed your June 25, 2008 letter, requesting termination of your coverage under the General Permit. The letter indicated that you have completed the hydrostatic test project and have ceased discharging groundwater from the subject facility to the Pacific Ocean.

On November 17, 2008, Board staff inspected the project site and verified that there is no discharge of wastewater from the site to the Pacific Ocean. Since there is no discharge from the subject site, coverage under Board Order No. R4-2004-0109, General NPDES Permit No. CAG674001, for the subject project is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this Board and obtain waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Tracy J. Egoscue
Executive Officer

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
