Cleveland, Ohio 44114

**TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS AT FORMER
EATON WESTLAKE FACILITY, 31717 LA TIENDA DRIVE, WESTLAKE VILLAGE,
CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO. 007, CI NO. 9241)**

Dear Mr. Allen:

In our letter dated March 15, 2007, we informed you that the subject discharge is regulated under Order No. R4-2007-0019 which specifies your Waste Discharge Requirements (WDR).

In the letter dated June 29, 2011, you notified the Regional Board that you ceased injections of hydrogen peroxide, sodium persulfate, ferrous sulfate, and hydrochloric acid for this site and that you requested termination of the WDR.

Since you have no plan to inject additional chemicals into the groundwater in the future, the coverage for the subject facility, under Board Order No. R4-2007-0019, is hereby terminated with the exception of enforcement under the terms of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683.

Sincerely,

Samuel Unger, P.E.
Executive Officer
