Mr. John Kim
W.E. Construction Inc.
15421 Carmenita Road, #P
Santa Fe Springs, CA 90670

Dear Mr. Kim:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—W.E. CONSTRUCTION INC.—DEL AMO PARK IMPROVEMENT PROJECT, 703 E. DEL AMO BOULEVARD, CARSON, CALIFORNIA (NPDES NO. CAG994004, CI-9540)

In our letter dated September 2, 2009, we informed you that the subject discharge is regulated under Order No. R4-2008-0032, *Waste Discharge Requirements for Discharges of Groundwater From Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008, which also serves as your NPDES permit.

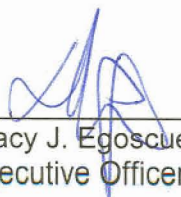

We have received and reviewed your December 31, 2009, letter requesting termination of your coverage under the General Permit. The letter indicated that you completed the dewatering project in October 2009, and that you have ceased discharge groundwater.

On January 5, 2010, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to the storm drain. Since there is no discharge of groundwater from the site, coverage under Board Order No. R4-2008-0032, General NPDES Permit No. CAG994004, for the subject project is hereby terminated except for enforcement purposes.

Please note that if future discharge of any groundwater to surface water become necessary at the site, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Dr. James Tang at (213) 576-6696.

Sincerely,

Tracy J. Egoscue
Executive Officer
Chief Deputy EO
