Edmund G. Brown Jr.  
Governor

August 19, 2011

Mr. Stanley Ofstein  
5646 Lexington Avenue  
Los Angeles, CA 90038

**TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS AT FORMER GAS TO GO FACILITY, 1353 NORTH WESTERN AVENUE, LOS ANGELES, CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO. 105, CI-9547)**

Dear Mr. Ofstein:

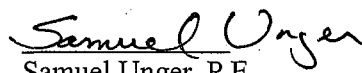

In our letter dated September 30, 2009, we informed you that the subject discharge is regulated under Order No. R4-2007-0019 which specifies your Waste Discharge Requirements (WDR).

In a letter dated July 7, 2011, you notified the Regional Board that you ceased ammonia injection for this site and that you requested termination of the WDR.

Since you have no plan to inject ammonia into the groundwater in the future, the coverage for the subject facility, under Board Order No. R4-2007-0019, is hereby terminated with the exception of enforcement under the terms of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
