Arnold Schwarzenegger
Governor

August 12, 2010

Mr. Christopher S. Cash, Director of Public Works
City of Paramount
16400 Colorado Avenue
Paramount, CA 93304

Dear Mr. Cash:

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE
ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—CITY OF
PARAMOUNT, WELL NO. 14, 15966 DOWNEY AVENUE, PARAMOUNT, CALIFORNIA
(NPDES NO. CAG994005, CI-9562)**

In our letter dated November 9, 2009, we informed you that the subject discharge is regulated under Order No. R4-2003-0108, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Potable Water Supply Wells to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In a letter dated July 1, 2010, you requested termination of the subject permit because you have stopped your discharge. On August 11, 2010, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site, coverage under Board Order R4-2003-0108 for the subject facility is hereby terminated. Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Samuel Unger
Interim Executive Officer

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
