**Los Angeles Regional Water Quality Control Board**

May 24, 2017

Ms. Wendy Salas, Manager  
SEIU-1545 Wilshire, LLC  
1545 Wilshire Boulevard  
Los Angeles, CA 90018

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS— SEIU LOCAL 721 CTW, CLC C/O NGKF MANAGEMENT SERVICES, 1545 WILSHIRE BOULEVARD, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-9781)**

Dear Ms. Salas:

The subject discharge is regulated under Order No. Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your May 1, 2017, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that you have obtained industrial wastewater discharge permit from City of Los Angeles to discharge groundwater from the facility to sanitary sewer system and that the General NPDES permit is no longer needed. On May 19, 2017, Board staff inspected the facility and verified that there is no discharge of groundwater from the facility to the storm drain. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2013-0095, General NPDES Permit No. CAG994004, CI-9781 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
