

EDMUND G. BROWN JR.
GOVERNOR

MATTHEW RODRIGUEZ
SECRETARY FOR
ENVIRONMENTAL PROTECTION

Los Angeles Regional Water Quality Control Board

August 22, 2012

Mr. John Merrick
Seth Brufsky Living Trust
23422 Malibu Colony Road
Malibu, CA 90265

Dear Mr. Merrick:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—SETH BRUFSKY LIVING TRUST , SETH BRUFSKY HOUSING PROJECT, 108 MALIBU COLONY ROAD, MALIBU, CALIFORNIA (NPDES NO. CAG994004, CI-9823)

The subject discharge is regulated under Order No. R4-2008-0032, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 5, 2008.

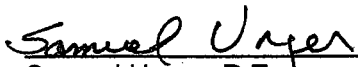

We have reviewed an email from your consultant, Mr. Michael Slaby of Pure Effect, dated June 29, 2012, requesting termination of your coverage under the General Permit. The email indicated that discharge at the above-referenced project has stopped and that the subject NPDES permit is no longer needed.

On July 24, 2012, Board staff inspected the project site and verified that there is no discharge of groundwater from the facility to surface water. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2008-0032, General NPDES Permit No. CAG994004, for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Samuel Unger, P.E.
Executive Officer
