

Change Sheet for the Ventura River Estuary Trash TMDL

Page	Location	Action	Added or Deleted Text (additions are underlined, deletions are in strikeout)	Reason for Change
15-17	Basin Plan Amendment	Add	LAs shall be implemented through either (1) a conditional waiver from waste discharge requirements, or (2) an alternative program implemented through waste discharge requirements or an individual waiver <u>or another appropriate order of the Regional Board.</u>	In response to comments, to identify all appropriate means of regulation for nonpoint sources to ensure compliance with water quality standards.
15-17	Basin Plan Amendment	Add/ Delete	<p>1. Once per week for the <u>sandy</u> beach area between the estuary and the ocean and along the walk way <u>bike path</u> between May 15 and October 15 and after public events that occur in the Ventura County Fairground. Once per month for the rest of the year.</p> <p>2. Within one week after each storm event with one inch of rain or greater at the Front Street storm drain, which discharges under the eastern levee, 50-feet north of the railroad tracks.</p> <p>3. Quarterly for other areas of the estuary <u>below the U.S. 101 Freeway.</u></p> <p>4. <u>After major public events that occur in the Ventura County Fairground that charge an admission price and are attended by greater than 7,000 people.</u></p>	To clarify the extent of the Ventura River Estuary.
15-18	Basin Plan Amendment	Add/ Delete	(2) Alternatively, responsible jurisdictions may propose, or the Regional Board may impose, an alternative program which would be implemented through waste discharge requirements or an individual waiver, a cleanup and abatement order, or any other appropriate order or orders, <u>provided the program is consistent with the assumptions and requirements of the reductions described in Table 7-25.2b, below.</u>	In response to comments, to identify all appropriate means of regulation for nonpoint sources to ensure compliance with water quality standards.
15-20	Basin Plan Amendment Table 7-25.2a Task 1, 2, 3, 4, 5, 7, 8, and 9.	Delete	City of Ventura, Ventura County, Ventura County Watershed Protection District, California Department of Parks and Recreation, California Department of Food and Agriculture, and Agricultural Dischargers, and Caltrans.	To clarify that responsible jurisdictions in the Implementation Schedule are consistent with those in the WLAs.
