Subject: Comments on LA River Bacteria TMDL
Attachments: Flow Science LAR Bacteria TMDL comments 6-4-10.pdf

Flow Science is pleased to provide the attached comments on the Los Angeles River Bacteria TMDL.

In addition to the attached pdf file, we are providing the references listed in Attachment A for inclusion in the administrative record for this matter. These files are too large to be emailed, but they can be accessed at the links below (via the yousendit service):

1st set of references for Attachment A:

<http://rcpt.yousendit.com/885048641/28df7f1a114f1c3c6816c94f5ff020fe>

2nd set of references for Attachment A:

<http://rcpt.yousendit.com/885036535/c6d7899152f92a671cd09bbcd95fff79>

A hard copy of the comment letter and a CD with electronic copies of the references will follow on Monday.

Thank you for your consideration. Please contact us if you have any questions.

Sincerely,
Susan Paulsen.
