Subject: **Notice of Public Hearing to Issue a Waste Discharge Requirements to RTG Investments, LLC for the Agua Dulce Residential Development Project (File No. 20-105)**

The California Regional Water Quality Control Board, Los Angeles Region (Los Angeles Water Board) will hold a public hearing on February 10, 2022 to consider issuing Waste Discharge Requirements to RTG Investments, LLC for the Agua Dulce Residential Development Project. The Los Angeles Water Board is scheduled to consider this matter at its regularly scheduled board meeting on:

Date: Thursday, February 10, 2022  
Time: 9:00 a.m.

Due to the Covid-19 emergency, the meeting location has not been determined yet. Please refer to the Los Angeles Water Board website for the agenda for the meeting which will include the information on registering for and attending the meeting. The agenda will be posted on the Los Angeles Water Board's website [https://www.waterboards.ca.gov/losangeles/board\\_info/agenda/index.html](https://www.waterboards.ca.gov/losangeles/board_info/agenda/index.html) approximately one week prior to the meeting.

The Tentative Waste Discharge Requirements and attachments are available on the Los Angeles Water Board's website at: [https://www.waterboards.ca.gov/losangeles/water\\_issues/programs/401\\_water\\_quality\\_certification/](https://www.waterboards.ca.gov/losangeles/water_issues/programs/401_water_quality_certification/)

The Board will hear any testimony pertinent to these discharges and the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board at its discretion may order further investigation.

Written comments or exhibits regarding this Order must be received at the Los Angeles Water Board office by **5:00 pm on January 21, 2021**. Failure to comply with this requirement provides grounds for the Los Angeles Water Board to refuse to admit the
