Subject: Former Long Beach Naval Complex IR Site 7 Dredging Project - Additional Drawings

Dear Mr. Lyons:

On August 15, 2008, the Port of Long Beach submitted a master dredging permit application, permit fee, and CD containing electronic copies of the supplemental application information and Pre-Design Sediment Sampling Report, for the IR Site 7 Dredging Project. As an addendum to the original application submittal package, please find attached additional drawings for your reference.

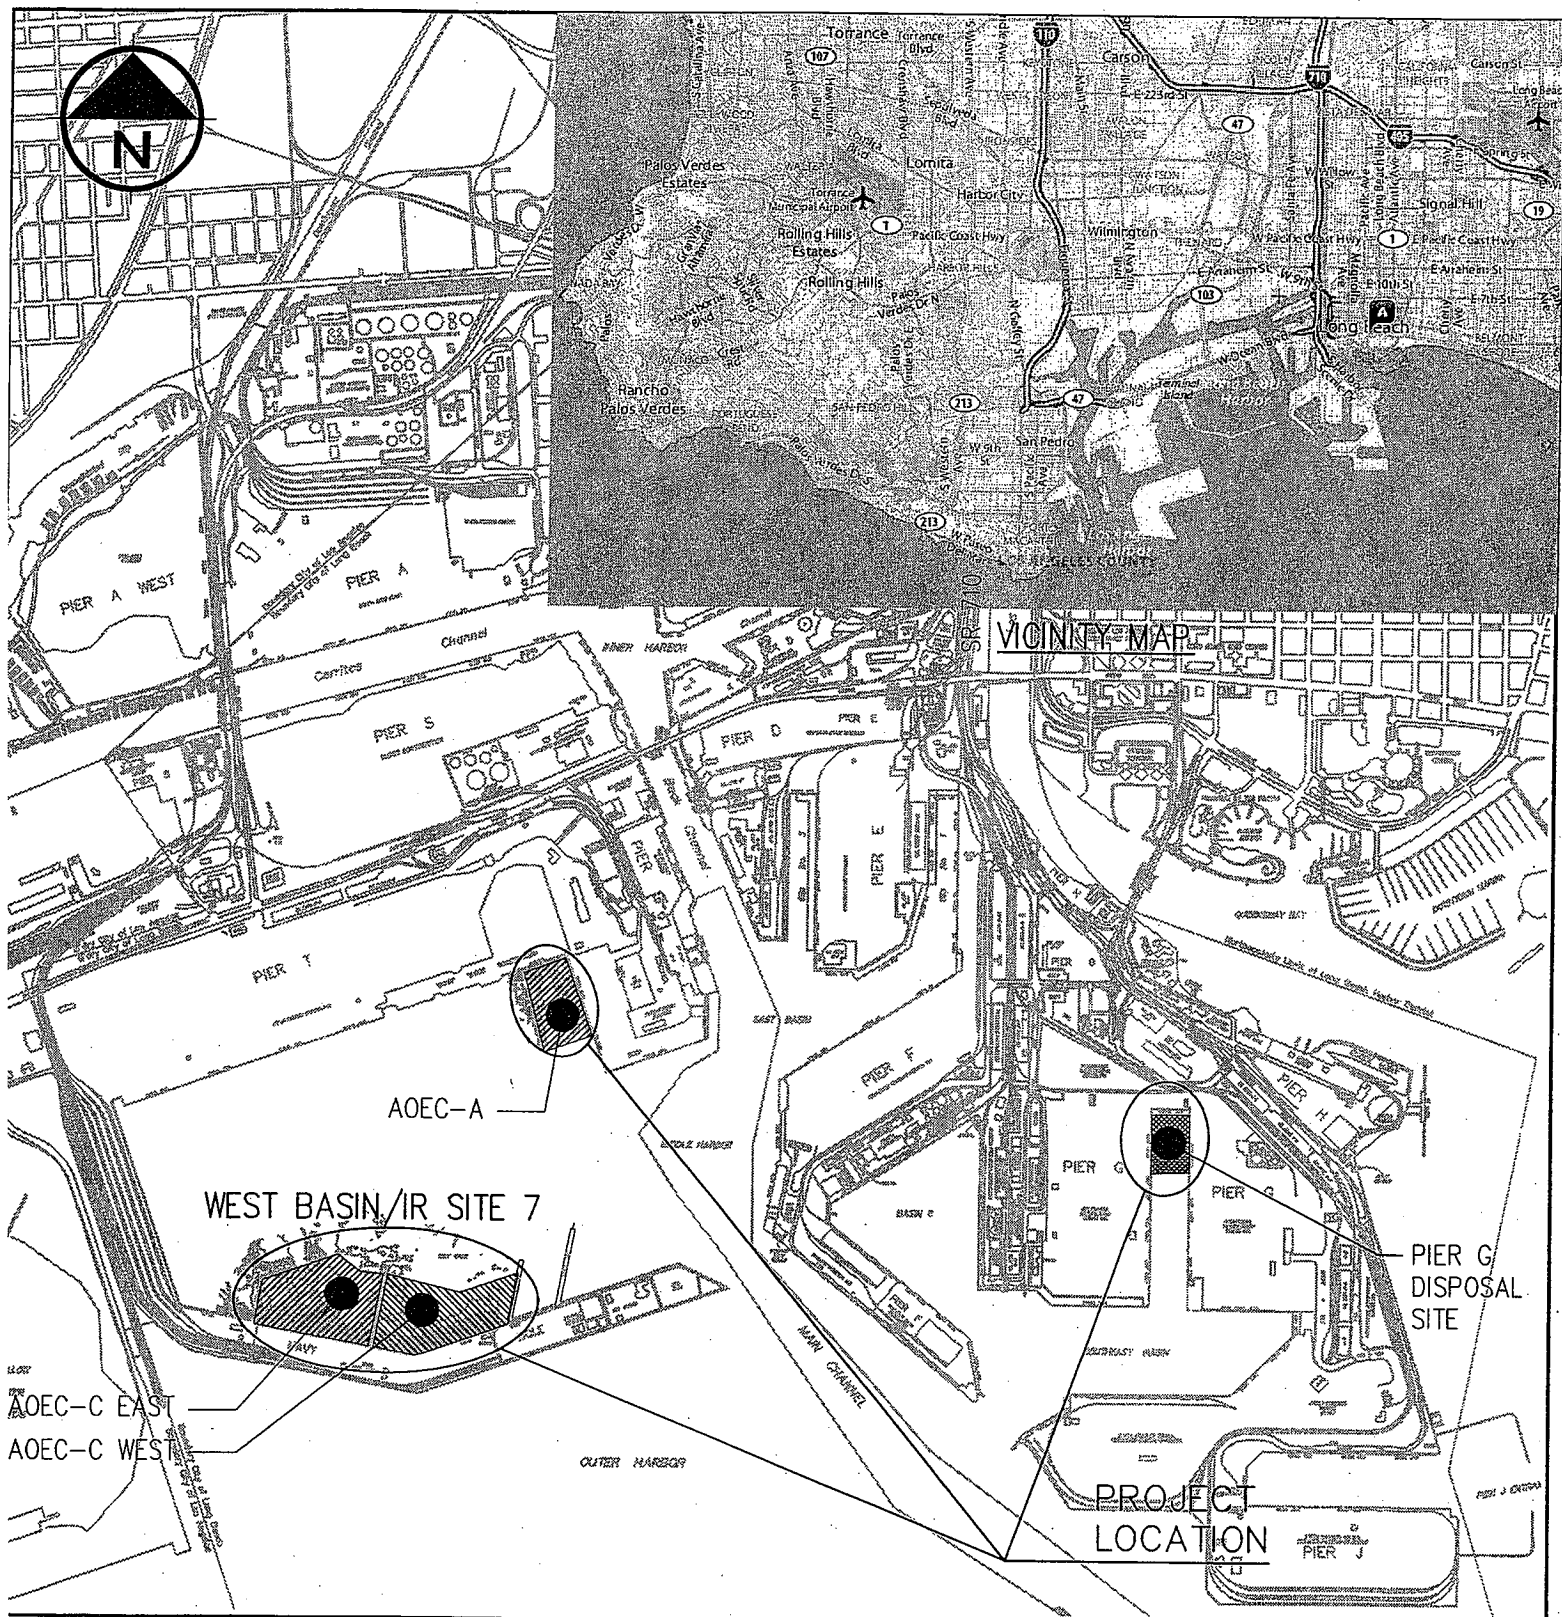

If you have any questions or need additional information, please contact Janna Watanabe, at (562) 590-4160.

Sincerely,

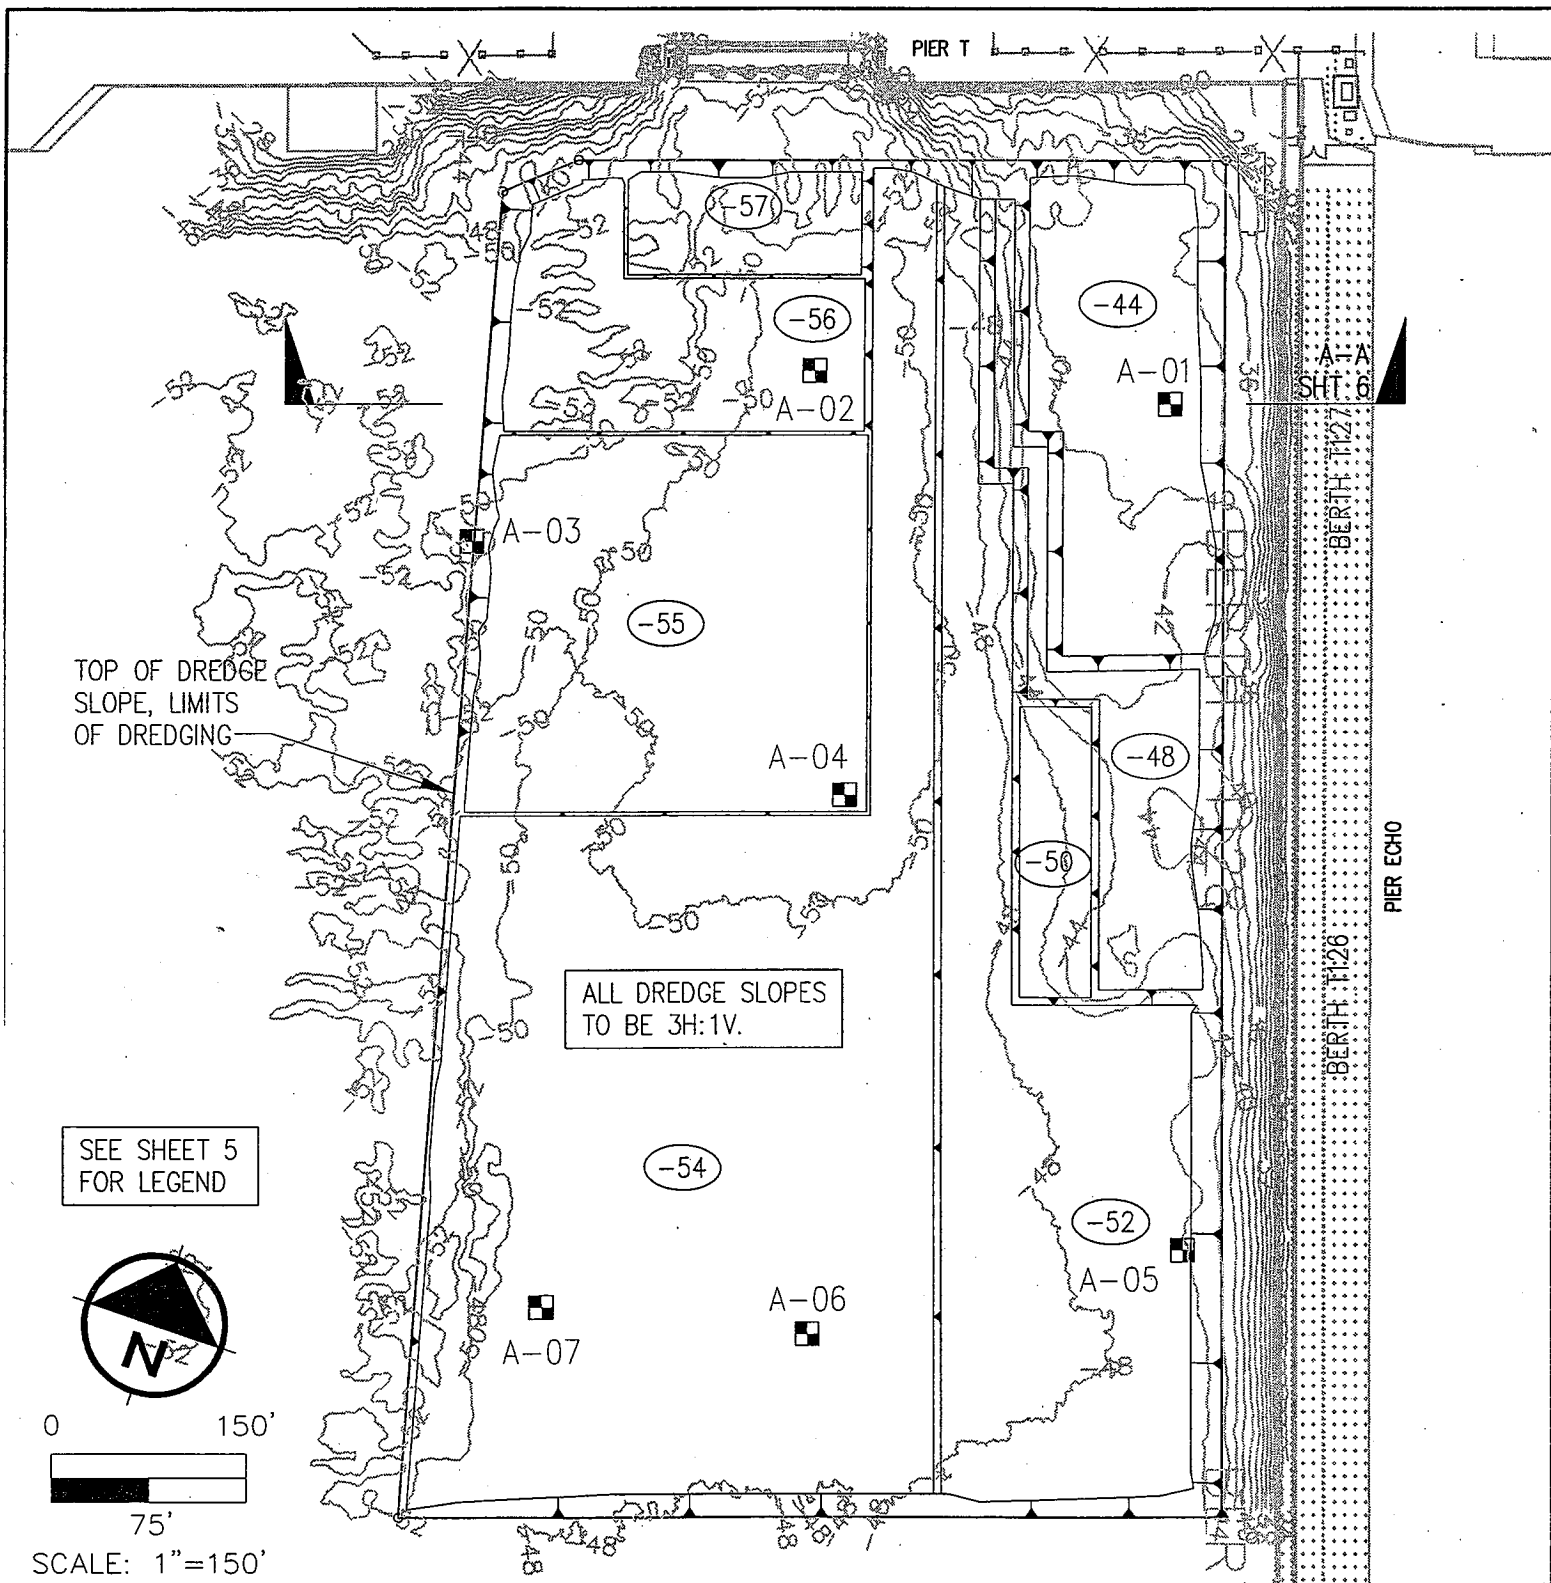

Richard D. Cameron
Director of Environmental Planning
