Subject: **Notice of Public Hearing to Issue Waste Discharge Requirements to the Southern California Gas Company for the Southern California Gas Company Pipeline Safety Enhancement Program Line 1004 Phase 1B Pipeline Replacement Project (File No. 23-188)**

The California Regional Water Quality Control Board, Los Angeles Region (Los Angeles Water Board) will hold a public hearing on February 26, 2026 to consider issuing Waste Discharge Requirements to the Southern California Gas Company for the Southern California Gas Company Pipeline Safety Enhancement Program Line 1004 Phase 1B Pipeline Replacement Project. The Los Angeles Water Board is scheduled to consider this matter at its regularly scheduled board meeting on:

Date: Thursday, February 26, 2026
Time: 9:00 a.m.

The public meeting will occur with both a physical meeting location and an option for the public to participate from a remote location. Please refer to the Los Angeles Water Board website for the agenda for the meeting which will include the information on registering for and attending the meeting. The agenda will be posted on the Los Angeles Water Board's website

https://www.waterboards.ca.gov/losangeles/board_info/agenda/index.html
approximately one week prior to the meeting.

The Tentative Waste Discharge Requirements and attachments are available on the Los Angeles Water Board's website at:

https://www.waterboards.ca.gov/losangeles/water_issues/programs/401_water_quality_certification/

The Board will hear any testimony pertinent to these discharges and the tentative requirements. It is expected that the Board will take action at the hearing; however, as testimony indicates, the Board at its discretion may order further investigation.

DAVID NAHAI, CHAIR | SUSANA ARREDONDO, EXECUTIVE OFFICER

Written comments or exhibits regarding this Order must be received at the Los Angeles Water Board office by **5:00 pm on January 19, 2026**. Failure to comply with this requirement provides grounds for the Los Angeles Water Board to refuse to admit the proposed written comments or exhibit the evidence (title 23 CCR Section 648.2). If materials are not submitted in a timely manner, the Los Angeles Water Board may refuse to admit written testimony into evidence unless the proponent can demonstrate why they were unable to submit the material on time or that compliance with the deadline would otherwise create a hardship. If any other party demonstrates prejudice resulting from admission of written testimony or exhibits not timely submitted, the Los Angeles Water Board may refuse to admit it.
