The California Regional Water Quality Control Board, Los Angeles Region (Regional Water Board), finds:

1. This Regional Water Board adopted waste discharge requirements for discharges to surface water which also served as the National Pollutant Discharge Elimination System (NPDES) permit for the Discharger listed below.
2. The Discharger ceased operation and will eliminate discharges of wastewater to surface waters.
3. Therefore, the following waste discharge requirements and NPDES permit are no longer necessary and should be terminated.
4. The following Order is hereby terminated, except for enforcement purposes.
5. The termination of waste discharge requirements is exempt from the provisions of Chapter 3 (commencing with Section 21100), Division 13, Public Resources Code, in accordance with Water Code Section 13389.

The Regional Water Board has notified the Discharger, interested agencies, and persons of its intent to consider termination of the following waste discharge requirements and has provided them with an opportunity to submit their written views and recommendations.

The Regional Water Board, in a public hearing, heard and considered all comments and testimony pertinent to this matter.

IT IS HEREBY ORDERED that the following waste discharge requirements and NPDES permit be terminated:

Order No. R4-2018-XXXX
 Terminating Waste Discharge Requirements and NPDES Permit

<u>DISCHARGER NAME (NPDES NO.)</u>	<u>ORDER NO. (ADOPTION DATE)</u>	<u>REASON FOR TERMINATION</u>
Polynt Composites USA, Inc. – Lynwood Facility 2801 Lynwood Road Lynwood, CA 90262 (CA0063908)	R4-2015-0199 (October 8, 2015)	The Discharger ceased operation at the Facility. The Facility and onsite equipment had been decommissioned, decontaminated, and are undergoing demolition. The discharge of treated storm water associated with industrial activities to Compton Creek from the Facility will be eliminated.

The Executive Officer of the Regional Water Board is authorized and directed to certify and submit copies of this Order to the Discharger, and to such individuals and governmental agencies as may have needed therefore, or may request the same.

I, Deborah J Smith, Executive Officer, do certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Los Angeles Region on September 13, 2018.

 Deborah J. Smith
 Executive Officer
