Dear Mr. De Marco:

POSTPONEMENT OF BOARD CONSIDERATION FOR ADOPTION OF TENTATIVE WASTE DISCHARGE REQUIREMENTS (WDRs), NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT AND TENTATIVE TIME SCHEDULE ORDER – SANTA ANITA LAND HOLDINGS, LLC & LOS ANGELES TURF CLUB, INC (NPDES NO. CA0064203, CI-8102)

Our letter dated May 15, 2018, informed you that the tentative Waste Discharge Requirements (WDRs)/National Pollutant Discharge Elimination System (NPDES) permit, and tentative Time Schedule Order (TSO) for the subject facility would be heard during the September 13, 2018, Board Hearing. On July 23, 2018, comments were received from Mr. William W. Funderburk, Jr., of Castello & Funderburk LLP, on behalf of Santa Anita Land Holding, LLC, and Ms. Melissa Kelly of Los Angeles Waterkeeper. Additional time is required for Regional Water Board staff to review and respond to the comments and incorporate any changes into the permit for Regional Water Board consideration.

Therefore, consideration of the tentative WDRs and NPDES permit has been postponed to a future Board Hearing. We will advise you accordingly of the new Board Hearing date and location.

If you have any questions, please contact Mazhar Ali at (213) 576-6652.

Sincerely,

Cassandra D. Owens, Chief
Industrial Permitting Unit
