Dear Ms. Keipert:

We are in receipt of your notification on November 17, 2015, requesting modification of your Conditional Clean Water Act Section 401 Water Quality Certification for the subject project issued on February 28, 2011 (Certification).

Green Park Runkle Canyon, LLC (Applicant) is requesting to extend the expiration date of the Conditional Water Quality Certification by one year.

In response to your request, under Attachment B, Item 34, Conditions of Certification, will read:

- 34. This Certification shall expire **six (6) years** from date of this Certification. The Applicant shall submit a complete application prior to termination of this Certification if renewal is requested.

I have determined that the above-proposed modifications do not constitute a significant change in the nature or scope of the activities described for the project in your original application. Therefore, all of the proposed modifications are hereby incorporated into 401 Certification No. 09-149 and no additional action by this agency pursuant to Section 401 of the Clean Water Act is necessary. This determination is limited to the proposed modifications contained in your notification to this Regional Board dated November 17, 2015 and described herein, and does not eliminate the Applicant's responsibility to comply with any other applicable laws, requirements and/or permits.

Should you have questions concerning this certification action, please contact Valerie Carrillo Zara, Section 401 Program, at (213) 576-6759.

Sincerely,
