Subject: Waterboard NOV Response

Hi Debbie,

Thank you for talking with me this morning. Please see the attached Notice of Violation letter, which also includes the original Order sent out in December. Please respond to the order as soon as possible. If Dos Rios does not operate in Los Angeles or Ventura County, an email stating that fact will suffice. If Dos Rios does have operations in Los Angeles or Ventura County, please respond in full on company letterhead.

Let me know if you have any questions.
