Dear Mr. Joshua Ewikia,

In response to your investigative order No. R4-2015-0287 received April 25, 2016, Northwest Petroleum Inc., A California Corporation, does not operate in Los Angeles or Ventura County. In fact, we do not operate any sumps in California and we do not operate any oil wells or active natural gas wells in California. I attest to the above being true.

Sincerely,

A handwritten signature in blue ink that reads "Michael Anaradian".

Michael Anaradian, President  
Northwest Petroleum, Inc.
