Re: Order pursuant to California Water Code Section 13267

Gentlemen,

Pyramid has received the order pursuant to California Water Code Section 13267 as it applies to Pyramid's operations within the region protected by the CRWQCB, Los Angeles region.

Pyramid does not have any leases or operations within Los Angeles or Ventura Counties and is not discharging any produced water to the waters of the state. Thus, the order should not apply to Pyramid.

Please let me know if additional information is required.

Sincerely,

Pyramid Oil Company

Bob Witcher, Operations Manager
