Los Angeles, CA. 90013

Re: Sunset Exploration, Inc. California Operations

Mr. Cwikla,

Per our earlier conversation please be advised that Sunset Exploration has no operated existing production in or around Los Angeles and Ventura Counties nor are there any open sumps or water discharge operations within either areas as referenced. Currently Sunset has no operated production within the entire State but at some point in time may procure opportunities as they become available and are viable to warrant pursuing.

Sincerely,

Dero D. Parker II
President, Production Specialties Company
Agent, Sunset Exploration, Inc.
