RE: Investigative order No. R4-2015-0312

Dear Mr. Cwikla:

This is in response to the request to provide a technical or monitoring report for the disposal of well drilling fluids, and production fluids to land for ExxonMobil Corporation oil and gas operations in Los Angeles and Ventura County, California.

We have reviewed our records and we do not have any current operations in Los Angeles or Ventura Counties. Our investigation revealed we have not operated in the relevant counties since 1997.

If you have any questions or need additional information, please do not hesitate to contact Doug Frost at 832-625-4587.

Sincerely,

Mark R. Decatur
