**RE: CALIFORNIA WATER CODE DIRECTIVE PURSUANT TO SECTION 13267 –
ORDER TO SUBMIT INFORMATION – THE DISPOSAL OF WELL DRILLING
FLUIDS, WELL COMPLETION FLUIDS, AND PRODUCTION FLUIDS TO LAND FOR
J.P. OIL COMPANY, LLC OIL AND GAS OPERATIONS IN LOS ANGELES AND
VENTURA COUNTY, CA**

Dear Mr. Unger:

I am writing you on behalf of JP Oil Company, LLC. Thank you for your letter of 12-18-15 on the subject captioned above.

A competent examination of DOGGR records would reveal that J.P. Oil Company, LLC does not now, and never has, operated oil or gas wells in Los Angeles or Ventura counties in California. The Order No. R4-2015-0341 enclosed in your letter therefore does not apply to us.

But thank you for thinking of us.

Sincerely,

A handwritten signature in black ink, appearing to read "Barry Hanson", with a long, sweeping underline.

Barry Hanson
Consulting Engineer for,
JP Oil Company, LLC
